

Major Projects Service

Typical Services include

- Contractual and Commercial advice
- Management and review of Risk and Opportunity
- Programming and Planning
- Contract documentation review
- Contract Administration
- Measurement and Valuation
- Claims preparation, defence and assessment including Dispute Resolution
- Final Account close-out

Major Projects potentially offer great rewards to contractors and sub-contractors, both financially and with future opportunities, however projects of this magnitude inevitably carry increased risk.

The Contracts Group can offer a wide array of services on behalf of the client, contractor and sub-contractors on any Major Project.

Given the cost of the potential risks in any major project, the specialist services provided by the Contracts Group Limited will prove to be value for money and cost effective.

The staff of **The Contracts Group** have extensive experience on a variety of Major Projects in Hong Kong, Macau and throughout the Asian region.

Our experience encompasses all manner of pre-contract and post-contract issues, with a focus on providing solutions and effectively managing risk and potential

opportunities under the Contract.

The Contracts Group can offer experienced personnel from the pre-construction stages through to final accounts and complete project close-out.

With past involvement on many major projects involving Airports, Marine, Roads, Bridges, Integrated Resorts and Hotels, Residential, Industrial Plant and other major infrastructure projects **The Contracts Group** can provide a comprehensive service with the added benefit of a wealth of experience on similar projects.

The services that we are able to provide include:

- Feasibility studies
- Risk and Opportunity reviews
- Programming and planning
- Tender planning & management
- Contract document review and preparation
- Contract Administration & Contract Management
- Measurement and Valuation
- Claims preparation, defence and assessment
- Final Account close-out

The added benefit of quick and flexible mobilization of our staff will assist any

project to get up to speed promptly.

Services can be provided on a regular, or on an ad-hoc basis, dependent upon your particular project needs.

Additionally, we provide added flexibility to any project should your workload dictate the need for additional resources at short notice, all without the complications and costs associated with engaging staff directly.

The Contracts Group also has a wide network of close associates to provide professional staff specific to your requirements, all backed up by a vastly experienced senior management team.

We firmly believe such arrangements are an effective and cost-efficient way of obtaining the best contractual assistance and advice throughout any Major Project.

Should this service be of interest to you please do not hesitate to contact us on +852 2529 1696, or email us at info@contractsgroupltd.com for a tailor made solution to suit your specific requirements.

We will be happy to discuss any requirements you may have and provide a proposal without obligation. We would welcome the opportunity to be of service to you.
